PRAYER REQUESTS

- Please pray for Kimi and those who accepted Christ through our spring break trips to grow in their relationship with God
- Please pray for the 15-17 students going on summer project this summer as they raise their financial support and prepare [Last year only 5 students went. Praise God for what He's doing in Central KY!!!]
- Please pray that Rich and I would love God with all our heart, soul, mind, and strength and love others as ourselves
- Please pray for wisdom and creativity as we prepare to lead the Daytona Beach Summer Project this summer

This is love: not that we loved God, but that he loved us and sent his Son as an atoning sacrifice for our sins.
—1 John 4:10

Dear friends and ministry partners,

March was a busy and encouraging month in ministry. The Transylvania group went to Chicago for Spring Break in the inner-city. It's not your typical Spring Break location, but the 12 students who went were challenged in their hearts for the lost and their hearts for the poor. Mary Rose had this to say afterward:

"During Urban Immersion this spring break I had a wonderful time growing in my faith in a community where I wouldn't have otherwise never been in. I learned a lot about myself and was humbled by the service projects I took part in...I will never forget this opportunity that was opened up for me!"

Daytona Beach Spring Break was also a great experience for our students from Morehead, Georgetown, and Midway. They had the opportunity to be challenged to walk with God through temptations in life, share their faith at a youth detention center, build intentional relationships to share the gospel on the beach with other spring breakers, and initiate spiritual conversations at Daytona Beach Community College. Ty, a Morehead student, had a great experience and here are some of his thoughts:

"God instilled in me a heart for international and Hispanic young people over Spring Break in Daytona Beach. I will be

Ty with one of the Hispanic students he connected with

returning this summer to pursue Christ and show these students the daily impact He has in my life. If God allows it, I will be attempting to start Destino (the ministry of Campus Crusade for Christ to reach Hispanic students) in the area. Please pray for me in my endeavors."

Another exciting thing happened in March. Cindy, a member of our staff team, had met Kimi through doing an image survey with her in the fall (www.MySoularium.com). At that point, she was apathetic toward God and figured all religions were about the same and not necessarily for her. They continued to have conversations about Jesus and how to have a relationship with God through accepting forgiveness for her sins and placing her faith in Christ. Kimi also began attending one of the small group Bible studies and the weekly large group meeting where there were many Christians who showed her what I life given to Christ looks like. March 11, Kimi sent me this message:

Kimi placed her faith in Christ!

"Hey, I'm so excited. Today I took the final step and I accepted Christ into my heart. I was having a horrible day then after that things started to look up. I am so glad that I did this. Thanks for all the help and stuff hope to see you soon!!"

Cindy has continued to meet with Kimi to help her grow in her new faith.
